Welcome to the first night of “PUPPY SOCIALIZATION” class!

Here are a few reminders:

1. Please make sure not to feed your puppy 2 – 3 hours before class.
2. If your puppy makes a mess *in* or *outside* the building, please be considerate and clean it up.
3. Even though we encourage the puppies to “Socialize”, please do not let them go up to the older dogs. Not all dogs are friendly.
4. If your puppy whines or barks, tell it “*Quiet*”. Do not praise the puppy *UNTIL* it stops the unwanted behavior.
5. If your puppy hesitates to do something you tell it to do (heel, sit, come, etc.) *DO NOT* give up. This will tell the puppy he’s in control and if he doesn’t want to do it, he doesn’t have to.
6. All puppies in the class are to wear a collar. If the trainer recommends a training collar, *PLEASE* remove it when the dog is not in training. PLEASE NOTE: *NEVER* leave a training collar on an unsupervised dog, and never use it as an everyday collar. Your dog’s tags and ID’s should be on a plain buckle collar.
7. In order for you and your puppy to benefit from these classes, we recommend training in 5 minute intervals three to four times a day.
8. Please be a responsible dog owner and keep your puppy on leash when you’re out in public. Not only is it a law, it’s safer and there are people who are afraid of dogs (yes, even puppies.)
9. Don’t be afraid to ask questions. You may think it’s silly, but other class members may have the same questions. Besides, we’ve probably heard it before.
10. Your puppy will respond more willingly, if you use a reward. For food treats, we recommend liver, hot dogs or soft doggie snacks. It’s not a good idea to use hard biscuits because it tastes too much like their kibble and it takes longer for them to chew it. Other rewards could be a tennis ball or a squeaky toy.

We hope you find the classes rewarding and we encourage you to continue on into the beginning class. We welcome your comments and suggestions.
